

March 16, 1974

for specific amendment as outlined by Senator Mahoney. Same bill. Motion is to return the bill. Have you all voted? Clerk will record.

CLERK: 26 ayes, 7 nays and 16 not voting.

PRESIDENT: Thank you. Bill is returned. SENator Mahoney back to you.

SENATOR MAHONEY: Mr. President, I will yield to Senator Lewis who is more informed on this particular amendment. Senator Frank Lewis.

SENATOR F. LEWIS: Mr. Chairman, there are those that think that this is implied in law but most states that have this kind of legislation are a..specifically Illinois, has this particular exemption, I think that it is a legitimate one and I certainly don't want to beat a dead horse or a live one either, so I would move the question.

PRESIDENT: Any further discussion of the amendment then? Senator Carpenter.

SENATOR CARPENTER: I think that we have a choice now Senator or Mr. President of whether we think of a...a...more of people than we do railroads. It is that simple. You are going to restrict railroads and to a greater extent you are going to restrict labor organized and unorganized, it is a little bit inconsistent. Now you are going to have a chance to prove really what you want to do.

PRESIDENT: Any further discussion of the motion? Question is do you want to adopt a specific amendment to 1028 on Select File. All those in favor vote aye, those opposed vote no. Once again, have you all voted? This is a specific amendment as offered by Senator Mahoney to 1028 on Select File. Clerk will record.

CLERK: 26 ayes, 7 nays and 16 not voting.

PRESIDENT: The amendment is adopted. What is your pleasure regarding the bill. Senator Mahoney has now made the motion to advance the bill. All those in favor of readvancing 1028 from Select File say aye, those opposed say no. So ordered. The bill is readvanced. Are there other amendments to the bill?

CLERK: None to that one.

PRESIDENT: Alright.

CLERK: Read LB983

PRESIDENT: Chair recognizes Senator Carpenter.

SENATOR CARPENTER: This as I recall is an amendment that is necessary, it is not an E & R because E & R couldn't make the amendments. It requires the approval of this body.

PRESIDENT: Any further discussion of the amendment? Question is do you want.....are we on 983?

CLERK: It is LB983A
